We Live From A Place Of Victory!

By Wanda Wilkins

Paul had a revelation of the glory of God inside of us and wanted so badly for us to get this revelation! When we allow our minds to meditate on Ephesians 1:17-23, it will cause our faith to rise higher, being able to see from the realm of Heaven!

I have been purposely taking time to meditate on the fact that we are truly in Heaven and truly on the Earth simultaneously and OMG! What a revelation! We have God's power constantly at our disposal! Look at verses 18-20. "The eyes of your understanding being enlightened; that you may **know** (be sure about, become acquainted with) what is the **hope** (bold/confident expectation) of His calling, what are the riches of the glory (the manifestation of His power) of His inheritance in the saints, and what is the **exceeding greatness of His power toward us who believe, according to the working of His mighty power which He worked in Christ when He raised Him from the dead and seated Him at His right hand in the heavenly places ...**" When you think about the fact that our faith is "not in the wisdom of man but in the power of God" (1 Cor. 2:4-5) what a difference it will make in your faith, your ability to believe God for whatever it is you need in your life and see it manifest, whether it's healing or deliverance or the manifestation of some other glorious promise that belongs to you as a child of God. We are sitting in His throne room, at His right hand with His Son, Jesus!!! That's where we are right now!

From a natural standpoint, can you imagine being adopted by the richest man on planet earth, sitting in his house and not having access to what he has? Even a natural man has sense enough to know that if he adopts you and calls you his own, you will have access to what belongs to him. Now, back to the spiritual aspect. You and I are in a Kingdom where God calls Himself "Everlasting Father"! Wow! "Father!" That's a strong word with great meaning (life-giver, provider, protector). Yet, He has adopted us and made us one with His Son Jesus and has given us the right to call Him Father! Now, take a moment to think about that! We are in His house!!! We are in His Kingdom!!! We are seated right there with Jesus, at the right hand of God and He's our Father!!! Close your eyes for a minute and just try to visualize yourself in Heavenly Places with the Creator of the entire universe and He has invested His power within you!!! Wow! That's enough to get you "drunk in the Spirit" for the rest of the week! Take some time this week to meditate on Ephesians 1:17-23. I know it's going to bless you!

Stay full of the Father's love, grace, joy and excitement as you confidently expect the promises of our Father to manifest in your life all week! Then check back with me next week for more Morsels of Manna. Living from a place of victory!
