## We Live From A Place Of Victory!

By Wanda Wilkins

**Born-again Believer!** God is in the very core of you! He is in your spirit man! He lives there! This week, develop a habit of thinking on the goodness of your Heavenly Father and what He's doing in your life! Spend more time thinking about your spirit man. When a born-again believer allows his spirit to dominate in his life, success is inevitable. If God is for you succeeding, shouldn't you be of the same mindset! If our spirit man were in control, here are some of the things that would be on our daily agenda!

- ♥ **Be mindful of the Lord's presence within me!**
- ♥ **Enjoy some time praising and worshipping the Lord!**
- ♥ **Eat more of His Spirit Food!**
- ♥ **Be mindful of the Lord's goodness towards me!**
- ♥ **Be mindful of the awesome credentials God has placed in me!**
- ♥ **Spend time building myself up by praying in tongues!**
- ♥ **Make supplication before God and confess His Word!**

God wants us to succeed and be victorious in every area of our lives and He actually expects us to be victorious because we are born of Him.

When we receive Jesus as our Lord and Savior, we are "born again" and given a new identity, an identity with Christ! We receive new birth records as far as God is concerned! Citizens now of His Kingdom and separate from this world! If any man is in Christ, he is a new creation! Old things have passed away! In God's Kingdom, we are free of the old things that plagued us: bondages, fears, doubt, poverty, sicknesses and weaknesses!!! We have Christ's nature on the inside of us!!! We have a new DNA! Forget about that old nature and what plagued you in the past! Spend time thinking about your new identity! You have royal blood in your veins and an image that's from God Himself! You are God's masterpiece and He is pleased with you! Paul said in Philemon 1:6, that the sharing of our faith becomes effective by "acknowledging every good thing which is in us in Christ Jesus," Who also is the Author and Finisher of our faith. All that He is, we are! He is righteous and so are we because He gave us His righteousness! He is strong! So are we! He is holy! So are we! We are in Him and He is in us! Glory to God!

We waste valuable time when we sit in a dark room of despair where unhealthy images are created, allowed to linger and take hold of our lives! If the Son has made you free, you are truly free! It's His righteousness and His life that we are operating in! The Bible says, "Who can lay a charge against God's elect?" Jesus is the only one that can and guess what? He won't! It's your defeated enemy that's trying to lay charges on you, not Jesus! Just stand up and tell him what the Word says and then keep reminding **yourself** what the Word says! You are delivered from the powers of darkness! Sin no longer has dominion over you! You are made in God's image! Full of His life! You are His righteousness! You are His and He is yours and after giving up His life for you, pouring out His Blood for you, the Lord is not going to give up on you! He paid a high price for you and is standing for you! You are complete in Him! Your salvation has been fully paid for and you are born again of an **incorruptible seed**! Sure, the Lord knows you've made some mistakes along the way and may even be caught in a snare right now but His Blood has even taken care of that! The only thing that's keeping you in that state is believing a lie of the enemy versus believing the truth of God's Word! If the Son has made you free, you are free in deed! Think about this for a moment: the One who has enough power to command the borders of the sea, Who spoke "light be," divided the waters and placed a firmament in the midst thereof, He is living in you and He is your Father! Can He not handle removing a little snare from your life? I encourage you that He can and He is willing! Ask that you may receive!

Regain your confidence! Shake off the weight of the sin of unbelief and believe that you are the righteousness of God through Christ Jesus! You're still beautiful in Him and you're still His masterpiece! As far as He's concerned, you've never lost your shine! Get up and worship Him and let His love embrace you now! Victory is in your house today!
